

HOTEL GUEST ROOM BEDSIDE AUDIO SYSTEM

Listen to Private TV Audio Using Headphones Without Disturbing Partner

Description:

This installation enhances the hotel experience when one guest wishes to watch and listen to the TV while the guest's partner does not. Either guest can plug in personal headphones to the bedside TP-HA1A Headphone Amplifier, adjust the listening level and enjoy the video program or movie. With the TV set to mute its internal speakers, each guest enjoys their environment (video/audio program or silence).
