ACCESSORIES

Model RU-PSB1

Power Supply Rack Adapter

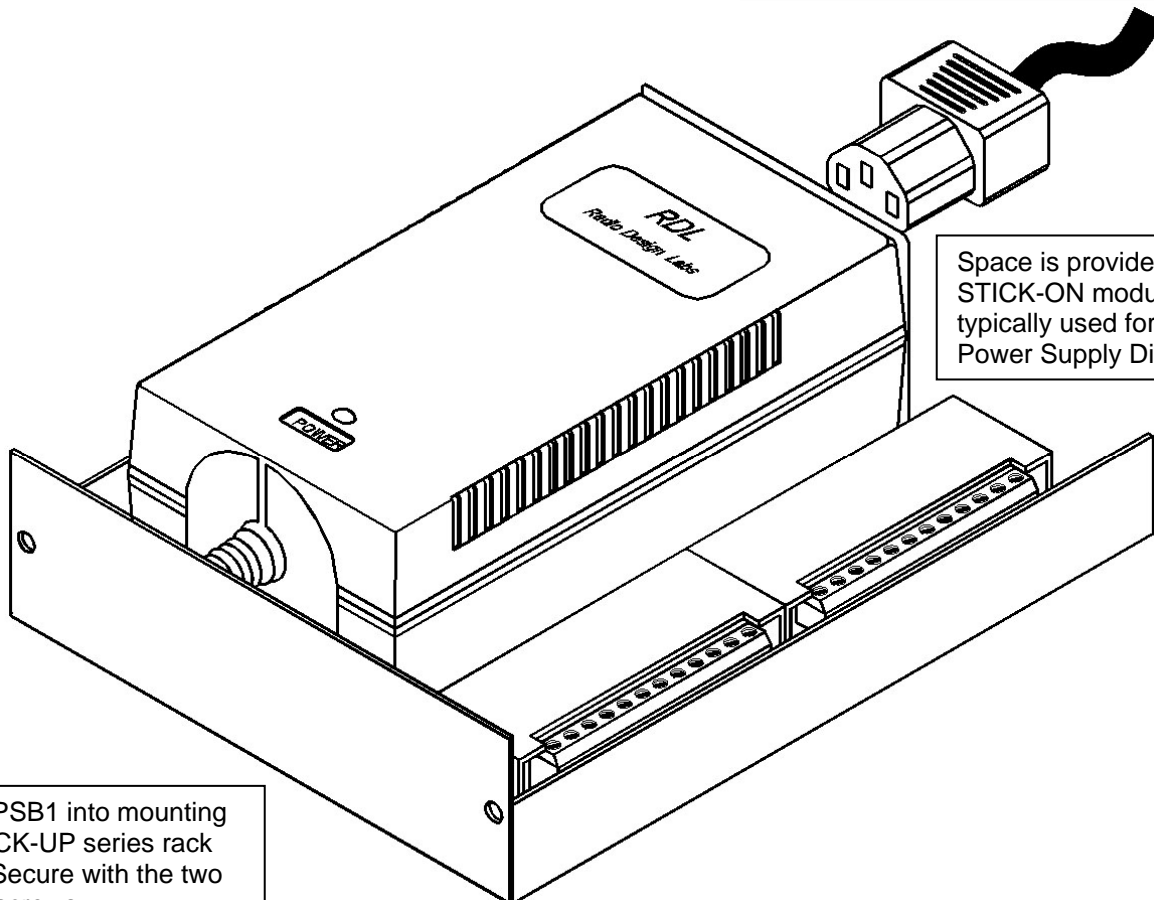

The RU-PSB1 is a RACK-UP® series mounting tray that holds one PS-24U2 power supply. Internal brackets secure the power supply in position when the power cord is installed. There is additional space to hold up to two STICK-ON® modules. Normally, ST-PD5U Power Supply Distributor modules are installed. The RU-PSB1 fits a single RACK-UP mounting bay in an RU-RA3 or RU-RA3HD rack adapter.

Installation/Operation

EN55103-1 E1-E5; EN55103-2 E1-E4

Typical Performance reflects product at publication time exclusive of EMC data, if any, supplied with product. Specifications are subject to change without notice.

Space is provided for two STICK-ON modules, typically used for ST-PD5U Power Supply Distributors.

Slide RU-PSB1 into mounting bay in RACK-UP series rack adapter. Secure with the two mounting screws.
